#### **ESSAYS**

Please answer the following questions in detail (no more than 200 words per question).

- When did you first become interested in audiology as a profession? Why?
- Describe three (3) past or ongoing leadership roles. What have you learned from these experiences and how have these influenced your leadership skill development?
- List two (2) topic areas or issues you feel are most important to the profession of audiology at this time. Select one of these topics/issues and explain in detail how you would participate within the Academy structure and governance (standing committees, task forces, special working groups) to address the issue.
- Professionally, where do you imagine yourself in five (5) years?
- Why should you be selected to participate in JFLAC 2014?

INCLUDE TWO LETTERS OF RECOMMENDATION AND CURRENT RESUME OR CV.
